VS.	§	CIVIL ACTION No. 4:19-CV-514-O(BJ)
	§	
AMAZON FULFILLMENT	§	

FINDINGS, CONCLUSIONS AND RECOMMENDATION OF THE  
UNITED STATES MAGISTRATE JUDGE AND NOTICE AND ORDER

In this case, Plaintiff has filed a civil case with a motion for leave to proceed in forma pauperis. Resolution of the motion was referred to the United States Magistrate Judge pursuant to the provisions of 28 U.S.C. § 636(b) and Miscellaneous Order No. 6.<sup>1</sup> The findings, conclusions and recommendation of the United States Magistrate Judge are as follows:

FINDINGS AND CONCLUSIONS:

A. NATURE OF THE CASE

This case is a new civil action.

B. PARTIES

Dorothy Robinson is the plaintiff. She listed the defendant as Amazon Fulfillment.

C. LEGAL ANALYSIS

Plaintiff filed a completed long-form motion to proceed in forma pauperis under 28 U.S.C. § 1915 *et. seq.* That application/motion includes the income and asset information for the plaintiff. A review of the financial information submitted in the long-form application/motion reflects that plaintiff Robinson receives \$2,440 a month in income from Amazon Fulfillment. In-Forma Pauperis Mot. 1-2, ECF No. 3. She lists no dependents. The applicable poverty guideline for a family of one

is \$12,490.<sup>2</sup> At \$2,440 per month, Plaintiff receives over \$29,000 in annual income, substantially above the poverty level. The information in this application thus shows that Plaintiff has sufficient resources available to pay the applicable fees. Thus, after review and consideration of the application/motion to proceed in forma pauperis, the undersigned finds the motion to proceed IFP should be denied, and will make such a recommendation.

#### RECOMMENDATION

It is therefore **RECOMMENDED** that Plaintiff's motion to proceed in forma pauperis [docket no. 3] be **DENIED** by the district judge.

It is further **RECOMMENDED** that the district judge inform Plaintiff that the complaint will be subject to dismissal without further notice under Federal Rule of Civil Procedure 41(b), unless Plaintiff pays to the clerk of Court the filing and administrative fees of \$400.00<sup>3</sup> within seven (7) days after the district judge's order.

#### NOTICE OF RIGHT TO OBJECT TO PROPOSED FINDINGS, CONCLUSIONS AND RECOMMENDATION AND CONSEQUENCES OF FAILURE TO OBJECT

A copy of this report and recommendation shall be served on all parties in the manner provided by law. Under 28 U.S.C. § 636(b)(1), each party to this action has the right to serve and file specific written objections in the United States District Court to the United States Magistrate Judge's proposed findings, conclusions, and recommendation within fourteen (14) days after the party has been served with a copy of this document. It is further **ORDERED** that the above-styled and numbered action, previously referred to the United States Magistrate Judge for findings, conclusions and recommendation, be and is hereby, RETURNED to the docket of the United States District Judge.
